Las Canteras is the best beach in Spain to enjoy with your family. This is certified by the specialized portal Playea.es, which has developed a Top Ten family beaches throughout the state. Classification built according to the opinions and behavior of its own users, both in its web portal and in its mobile app.

Playea.es is a web community specialized in searching for these unique coastal enclaves in Spanish territory, also facilitating to its travelers information online of each beach that they visit, and the activities that can carry out. In the ranking published by this portal just before the summer, aimed at family enjoyment, Las Canteras Beach, in Las Palmas de Gran Canaria, occupies the first position. They follow the Beach of the Barrosa (Chiclana, Cadiz); The North Beach (Peñíscola, Castellón); The Sardinero (Santander); The Cathedrals (Ribadeo, Lugo); The beach of l'Estartit (Torroella de Montgri, Gerona); Isla Cristina (Huelva); Alcudia (Mallorca); Cala Martina (Santa Eularia des Riu, Ibiza) and Playa del Espejo (Los Alcázares, Murcia).

This classification has been redifundida in turn by different means specialized in all Spain, among them, Expreso, travel and tourism diary that specifies what are the attractions that the families look for when enjoying the beach. Factors that include the calm waters, with little waves and with a gentle slope at the moment of entering in them; Clean and clean water; That the beach is sandy and has no rocks or stones; Having first-aiders and a first-aid post; Easy access, especially when traveling with baby carriages; Suitable restoration areas in their surroundings; Bathrooms and showers; And play areas or for sports.

Apart from all those in which Las Canteras stands out, thanks, among other factors, to its Blue Flag and Q of consolidated quality that certify its quality, in the sand and in the water; The protected environment of the tides after its popular Bar or natural reef that protects the coast along a good stretch of its total extension; Their spas; Its condition as a supervised beach; The possibility of outdoor sports, in the sand or in the water, with interesting activities such as snorkeling, transparent kayak or surf paddle; Their accessibility; Or the wide offer of restoration that accompanies it along its entire route. Charms to which must be added, in addition, the friendly climate enjoyed by Las Palmas de Gran Canaria throughout the year.

The daily Express itself highlights how "all the characteristics mentioned above has the one that occupies the first place of the Top 10: Las Canteras Beach in Gran Canaria." In addition, according to data collected by Playea.es, six out of ten users opt for a family beach when choosing their option for leisure on the coast.

Las Canteras Beach is undoubtedly one of the jewels of Las Palmas de Gran Canaria, both for the citizen and for the tourist. The Department of Tourism of Las Palmas de Gran Canaria, as its Tourism Marketing Plan includes, promotes the city as a destination with much more to offer than sun and good weather, with charms such as culture, gastronomy ... or family leisure . In fact, where life happens, 22°C in family is one of the slogans of its campaign of promotion for this summer. The attractions that in this line are located in Las Canteras are also an important attraction factor for families.
