Spain.info, the official website of Tourism of Spain suggests this month of June ten favorite beaches for the summer. A Top Ten of enclaves distributed by different points of the State, among which is the Beach of Las Canteras which, together with El Cofete, are the only arenas of the islands in this relation. The beach of Las Palmas de Gran Canaria is highlighted by the pleasant temperature throughout the year, its ideal location for water sports, its kilometers or the terraces and cafes that visitors can find throughout Of his walk.

The portal includes Las Canteras in a list which also includes the beaches of Ses Illetes (Formentera), As Catedrais (Lugo), La Concha (San Sebastián), Bolonia (Cadiz) El Cofete (Fuerteventura), Cala Bassa (Ibiza), Rhodes (Pontevedra), Platja Gran (Girona) and Cué (Asturias). On the beach of the capital of the state of Gran Canaria, the urban beach and the "natural reef barrier about 200 meters from the shore that protects the tides", La Barra. Adding also that "it has in turn a wide sea promenade full of services with terraces and cafes by the sea".

"Good weather guaranteed almost all year round and next to the city. Come at any time ", notes Spain.Info as a holder on Las Canteras, which accompanies with a photograph of a view from La Puntilla.

The official website of Tourism of Spain highlights with this Top Ten, "only a selection", the wealth of the State in terms of coastal destinations. "In any case, the beach is sure to be formidable. And is that Spain has almost 600 beaches with Blue Flag, a quality badge, "he concludes. Blue Flag, precisely, that Las Canteras renewed in the past month of May, and that has been wearing for years, as one of its distinctive features.

The reference to the beach of the capital of Gran Canaria in this web reinforces the promotion actions that intends to impel the Department of Tourism in the face of the imminent summer, season in which the target public of the city resides in the national tourist and interinsular, and in the Travelers who enjoy their holidays as a couple or as a family.
